

Summer 2025  
Owanyake Day Camp  
Camper Confirmation Packet

Camp Toccoa/Camp Owanyake is owned and operated by Camp Fire Georgia. Camp Fire programs provide youth with a safe and supportive environment where they have the opportunity to make new friends, try new activities and learn skills that they will carry with them for a lifetime. At Camp Fire, we encourage youth to find their spark, lift their voice and discover who they are.

At Camp Fire it's more than just activities and play; all programs are outcome based. With a safe and supportive environment, children can fully engage in activities, are provided with leadership opportunities and are supported in lifting their voice. Youth are encouraged to explore their natural sense of curiosity and find their own sparks.

In Camp Fire, positive intercultural relationships are fostered. All children are welcome regardless of race, religion, socioeconomic status, disability, sexual orientation or other aspect of diversity.

***Our Promise:***

Young people want to shape the world.  
Camp Fire provides the opportunity to  
find their spark, lift their voice, and discover who they are.  
In Camp Fire it begins ***now***.

## Camper Photos

Would you like to see pictures of your camper at Camp Owanake? Photos will be uploaded throughout the week to our Flickr account:

<http://www.flickr.com/photos/campfiregeorgia/>

Camp Toccoa's photographer will try to photograph each camper throughout their stay, but cannot honor specific requests. Please note some campers do not enjoy getting their photos taken and are focused on their friends and activities. Campers are not forced to be in photos. Our primary focus is on the camper's health, wellness, safety and fun. Because of that, it may be a couple of days before the first photos are uploaded. Our photographers try to upload each day, but this is not guaranteed.

## Swimming

Campers have the opportunity to take part in a water activity (waterfalls, pool, slip and slide, etc), if they choose. All campers are required to wear a modest swimsuit that allows them to freely participate in all activities.

## Weather

In the event of light rain, daily activities continue. Campers may get a little wet. Please pack appropriate rain gear for your camper. During thunderstorms all campers and staff will seek shelter indoors until the weather has cleared. In the event of a severe thunderstorm, tornado watch or warning, or high wind advisory, operations will be delayed and campers sheltered until it is safe to continue. For any weather emergency during the camp day, all individuals on property will follow the Camp Toccoa emergency procedures.

## Staff

Camp Toccoa/Camp Owanyake is accredited by the American Camp Association (ACA). Our summer counselors are primarily college students who genuinely enjoy children, love the outdoors and are skilled in their activity areas. Every staff member receives an extensive orientation before the first camper ever arrives at Camp Toccoa. Summer staff members are CPR and First Aid trained, are carefully screened through a series of interviews, and have undergone thorough reference checks and background checks.

**Seasonal staff are not permitted to not communicate with campers or parents via the Internet, phone, or in person, since this is not monitored by camp. Please help support this policy, for the security of both your child and our staff members. Summer camp is a special experience, and these measures keep it that way all year.**

Campers often develop positive mentor relationships with camp staff and may want to keep in touch after summer. We have set up a communication format that benefits and protects both campers and seasonal staff. If your child would like to contact a staff member, please help them write a letter to that person, and mail it to Camp Toccoa 92 Camp Toccoa Drive Toccoa, GA 30577. We'll forward the letter to the staff member and encourage them to write back. Staff responses are mailed to camp, and then forwarded to you. This system keeps communication linked to camp after both campers and staff are no longer on-site. It also encourages campers to write letters – a skill we feel is important for kids to practice.

## Behavior

Camp programs cannot accommodate participants who display chronic or severely disruptive behavior. Such behavior may be grounds for dismissal from the program. Chronically disruptive behavior is defined as verbal or physical activity, which may include, but is not limited to:

- Behavior that requires constant attention from the staff.
- Behavior that inflicts physical or emotional harm on children or staff (i.e. verbally or physically threatening behavior, biting, fighting, etc.).
- Behavior that is destructive in nature.
- Behavior that continually ignores or disobeys.

## Health & Wellness

This form is required for all campers attending Camp Owanyake. The information collected is not part of the camper acceptance process but is gathered to assist us in identifying appropriate care for your camper(s). Please provide complete information so that Camp Owanyake is aware of your camper's needs. Each camper is required to have a new medical form annually in order to attend. **Forms from previous summers and programs will not be accepted.**

**Campers will not be permitted to stay at camp if their medical form is not received on time. No refunds will be issued if a camper does not submit a signed medical form.**

**Camp Fire Camp Toccoa / Medical Form**

**92 Camp Toccoa Drive**

**Toccoa, GA 30577**

**Medical Forms must be mailed/postmarked 3 weeks prior to the beginning of your camper's session.**

- Should your camper not feel well during the day, they will be able to sit and rest. The most common ailments at camp are due to dehydration, over-exertion and too much heat. A little time out of the sun, some fluids and TLC usually does the trick. If additional care is needed, we will contact you immediately. You will be notified if there is anything more severe than bumps, bruises and the aforementioned ailments.
- Please do not send your camper to camp if he or she is sick. Your child will not have fun and any illness may present a health risk to the whole camp community. If your camper shows signs of a communicable disease while at camp, you or your emergency contact will be asked to come pick your camper up immediately.
- Please provide your camper with a refillable water bottle and sunscreen in order to help him or her stay healthy and hydrated.
